## Millers Rd. Bridge Behind Schedule

### PENALTY CLAUSE INVOKED

A request for a 10-week extension of contract for the erection of the Millers Road bridge has been refused by the Altona Shire Council.

Although the shire engineer (Mr. R. C. Simons) thought the request was reasonable and recommended a 10-week extension, the council decided to invoke the penalty clause.

The contractors submitted to the council a list of the many unforeseeable foundation difficulties which caused delays in construction.

They further stated that while the work below the deck was being carried out, several flash floods were experienced which caused considerable difficulties and delays in the execution of the work, and all of these brought them into

the wet months for the concreting of the deck, which is causing further delays.

The company stated they were taking all steps they could to complete the work at an early date as possible, but in view of the difficulties encountered by them, felt justified in asking the council to grant an extension of time of 10 weeks for the completion date of the contract.

## Sewer Soon For Shire

Within two or three years time the Board of Works plans to allocate £500,000 annually for the following five or six years to be spent on sewerage works in the Shire of Altona.

After discussion with a Board of Works engineer this is the information Cr. J. J. Giniher passed on to the Altona Shire Council.

At the end of this time Altona should be completely sewerage. Although difficulties such as the very wet sand in the shire will cause problems.

As part of Altona East is sewerage Cr. Giniher asked the engineer why there was a hold

up in carrying on work in this area. It appears the connections already made are reticulated back to Williamstown and no more can be connected to this system.

Before the Board can carry on with work in the Altona East and North areas, the Brooklyn pumping station must be completed and new trunk sewers built. It is expected to cause a two year delay in these areas.

## WOOLWORTHS GIVEN THE OK

Traders in the Circle shopping centre will welcome the advent of a Woolworth's Super Mart.

Council, while generally approving of Woolworth's tentative proposal to erect a modern variety and food fair in Altona East, deferred final approval until traders in the vicinity had expressed their viewpoint.

Members of the Circle Trading Community met on June 18 to discuss the matter.

The following resolution was passed—

"That we are in favour of the application of Woolworth's to build a Super Mart in this area, on the site proposed, and will welcome the approval of the Altona Shire Council in connection with this proposal."

### CHEST X-RAYS

Altona and Werribee Shire Councils will give full co-operation to the Department of Health when they conduct another Chest X-Ray survey within the Shires during September, 1963.

The last campaign was carried out in September, 1961, when 2157 Altona residents received X-Ray examinations.

### REFINERY SAFETY ACHIEVEMENT

Tuesday, July 2, marked 200 days free of any lost-time accident at the PRA Altona Refinery.

Employees have received the congratulations of both the management and industrial safety groups for their fine achievement. By their attainment they have made possible the presentation of equipment to the total value of £200 to two local schools. The following schools will benefit—

Altona Primary School—Mathematical Aid, value £42, Library Material, value £58.

Seaholme Primary School—Library Material, value £100. Formal presentations will take place in the near future.

### MAIDSTONE STREET LEVEL CROSSING DELAY

Altona councillors are unhappy at the lack of consideration given them at a recent inspection of this crossing decisions made by the Railway Department.

Some time ago the council wrote to the Department pointing out the dangers of this crossing. An inspection was made but results were negative. More recently the council again wrote offering to be present at an inspection and stressing the danger at night.

The Department has now forwarded a reply saying an

inspection has been made with a representative of the R.A.C.V. at night time. As a result it has been decided to erect flashing light signals at the Galvin crossing before the end of 1964. In the meantime, arrangements have been made to relocate the level crossing sign on the southern side of the crossing nearer to the roadway to make it more conspicuous to motorists.

Councillors were aggrieved at not being advised of this inspection. They were thus not able to put their views on the matter. They felt the end of 1964 was too long to wait for action in view of the immediate possibility of further accidents.

Cr. G. den Dulk spoke strongly on the subject. He said he could recall many accidents, one nearly fatal. When lives were at stake money should not be considered. He moved that a further letter be sent drawing attention to the recent accident and stressing urgency. Cr. W. G. Cresser seconded the motion.

### APEX AIDS THE HUNGRY

By foregoing their usual dinner at the meeting last Monday night, members of the Altona Apex Club donated their dinner fee to the Freedom from Hunger Campaign. Total contribution was £14-10

## £250 DONATION TO HOSPITAL

(Photo by Barry Sutton—65-6017.)

Mr. I. Herbert, president of Altona District Hospital, receives a cheque for £250 from Mr. O. G. Meyer, managing director of Australian Carbon Black Pty. Ltd. This is an annual donation by the company as a recognition of the responsibility of industry in assisting to preserve the health of the community.

## Inspection of Schools

The Hon. J. S. Bloomfield, Minister of Education, will visit Altona on August 2 to inspect school grounds in Altona district. The time and conditions preferred by the Minister are not entirely in accord with the wishes of local councillors.

Recently, as a statement of Government policy, it was announced that available funds for education were limited to school buildings. Financial assistance in improving school grounds was impossible, except to supplement locally raised monies on a £1 for £1 basis.

This is not at all acceptable to our councillors. Altona has a large number of schools with liberal areas of unimproved grounds.

Many of these areas are flat and low-lying. After rain they are mud filled and often are water covered. Heavy expenditure would be necessary to provide filling and drainage.

The council has felt that an inspection of the district school grounds after heavy rains would impress the Minister both as to the extent of the problem and also because of the particular situation in Altona the need for special consideration.

The reply by the Minister stated it was not practicable to arrange for a visit immediately after (because of his daily commitments).

He also declined the offer of an escort by local councillors. He stated as his visit would probably occupy the whole day, a restricted party

### £12 IN MOTOR BIKE FINES

William David Slee, of Galvin Street, Altona, was fined £2 for failing to have his registration label on his motor cycle on January 13, £5 for failing to wear a protective helmet when riding a motor cycle and £5 for failing to produce his licence when asked to do so.

## Local Safety Award

(Photo by Barry Sutton—65-6017.)

Mr. Collocott presents an award of merit safety certificate to Mr. H. Hobbs.

On Wednesday, June 26, at 12.15 p.m. in the A.S.R. cafeteria, Mr. A. J. Collocott, president, National Safety Council of Australia, Victorian Division, presented an award of merit safety pennant and certificate to Australian Synthetic Rubber Company Limited, Altona, in recognition of achieving 100,000 manhours without a lost-time injury and in recognition of an outstanding safety performance.

The awards were accepted for the company by Mr. H. L. Hobbs, representing ASR's plant council. Also in attendance were Mr. K. W. Miller, general manager of ASR and Mr. R. Herring, administrative officer, National Safety Council of Australia, Victorian

Division. The presentation was made before a gathering of employees. The company is continuing to achieve further manhours without a lost time injury, the current and continuing score being 136 days without a lost-time injury.

### PAVILION DANGEROUS FOR CHILDREN

The old Williamstown Racecourse pavilion is no place for children. Altona councillors are concerned as to the hazard for adventurous young people and the means for preventing their access to the structure.

Altona Migrant Hostel is in the vicinity, on the other side of Kororoit Creek. Children from there seem to find the stand most attractive.

In view of its dangerous condition council toyed with the idea of shutting up the structure to make it inaccessible.

This was found not to be practicable. It was decided finally to close off the bridge between the hostel and the stand. It is realised that this will limit the children's play area to the hostel side, but the restriction is necessary in the interests of safety.

## EDITORIAL

### FROM QUEEN ST. TO CIVIC P'DE

Shortly the Altona Council administrative offices will be removed from Queen Street to Civic Parade. This cannot be viewed simply as a removal to a new position a few hundred yards to the north. There is more than a mere change of site.

There is a transfer from a beach location to a more central position.

There is a removal from the friendly old-fashioned homestead building to an ultra-modern, even futuristic, structure.

Here is a move to a building designed to meet the requirements of the councillors and staff of the shire, from one where almost the reverse applied.

There will presumably be a trend to more efficiency and more modern business practices. But not, we hope, to the lessening of the courteous treatment so evident in the past.

There are the obvious changes, the implications are more doubtful.

How will the move effect the thoughts and actions of our councillors, both present and future? Have they been too beach minded in the past? Should Altona be regarded as just another suburb like Footscray or Sunshine, or should our beach potential be more exploited? Our beaches are important, a central drainage plan is essential, a unifying interest for the whole shire is desirable. In the more central position, with Pier Street in front, and industry in the rear, a more objective viewpoint will come easier.

Perhaps it is the time also to move in the direction of ward ridings. Councillors would then be elected by certain areas. Altona North, Altona Beach and Altona West have their own particular needs.

Why not have them pointed out by responsible representative councillors.

### St. John Ambulance Brigade

A thank-you to the unfailing kindness of Dr. and Mrs. Atlas for his third year of provocative lectures and guidance is extended by all members of the branch.

These new members passed examinations—

Anita Parkhill, Ruby O'Bryant, Margaret Marshall, Doris McKee, Petra McKee, Robert Hillier, Vance Band, Gerard Velnoweth. Highest marks were secured by Robert Hillier and Doris McKee.

The three Hillier brothers, David Marshall and David Shanahan, are among others to be congratulated for their ever ready attitude during "Operation Beach Clean." The branch thanks the holiday-makers, whose civic and self-pride lessened the work.

Bob Lucas has accepted more extensive tasks among the instructors. Gerard Velnoweth will be given a section of cadets.

Kaye Harvey is well advanced with the training of the nursing cadets who must pass in both first aid and

nursing. Sooner or later, life or death will depend upon their training.

Cadets and instructors meet at Altona North Youth Centre every Tuesday evening.

Broadening experience was secured in the State Disaster exercise which demanded prolonged and individual initiative. TV made the efficiency of Bob Lucas very apparent.

July and August are devoted to the training for competitions with other districts in field work. Archie Heazlewood has been given the No. 1 position in the ambulance team while Elizabeth Hunt, under the guidance of Sister Morgan, will lead the nursing division in keen trials against the traditionally mighty Footscray side.

A three months home nursing course for those above 16 years will be commenced by Sister Morgan in late August.

Duties with Footscray hospital now require four members on Friday or Saturday nights, and two on other nights.

## That Cigarette Rumour

We are able to reveal the true story of the rumour which revolved around Rothmans King Size filter cigarettes, and a sign which was alleged to have been placed in the Peter McCallum Institute stating "If you must smoke, don't smoke Rothmans."

We have sighted a letter which has been sent to Rothmans from the secretary, manager of the Peter McCallum Institute, in which he assures the company that no signs have ever been placed at the clinic, and, in fact, no sign was ever authorised to be placed.

It is amazing how an unfounded rumour such as this could spread so widely to so many people in all walks of life with apparently so few

taking the trouble to substantiate the authenticity of the story.

This remarkable hoax has circulated freely throughout the State, and there is no doubt that many people have accepted it.

However, the overall result is that Rothmans of Pall Mall have emerged a stronger company than ever, in spite of, or because of, the slanderous attack on its leading product.

## NEW PRESIDENT FOR ROTARY

July will see Altona Rotary's Charter President Mack (M. C.) Fuqua handing over the reins of the new club to Vic (V. P.) Grant who has been serving as Charter Vice-President since the club's formation late last year.

In the first year of operation, the president has aimed at developing a firm foundation of fellowship among the members, upon which can be gradually built a policy of service in the four fields of community service, international service, vocational service and club service.

A wide variety of addresses have been presented at the weekly meetings, and such subjects as banking, funerealisation, polar exploration, local history, R.A.A.F. history, nuclear warfare civil defence, lighthouses, education, Werribee research farm, have been covered by entertaining guest speakers. Members and visiting rotarians have also addressed the club on a number of Rotary topics.

The Charter membership strength was 26 and several new members have been welcomed since Charter Night. The club was pleased to announce one meeting where 100% attendance was recorded.

President-Elect Vic Grant was a member of the Rotary Club of Williamstown since 1960 and chose to transfer to Altona as a Charter member when the new club was formed. In the new year, which commences on July 1, his objectives will be to carry on and consolidate the committee work started in the Charter year.

His interest in community affairs has extended to membership of Altona High School Advisory Council and also the Parents' and Citizens' Association and he has been a member of the Koorngal Golf Club committee for three years. His association with the community and knowledge of the district will be put to good use by Rotary during the coming year.

### Y.C.W. FOOTBALL

Sunshine outclassed Altona for three-quarters to run out easy winners at Sunshine last Saturday.

It took Altona the first three quarters to find their form, but by then it was too late.

Sam McFadgen led the last quarter onslaught and with Wayne Salsbury, Michael Calaz and Bill Thompson backing him up, Altona outscored the opposition for the first time.

Four quarters of this determined football would cause any team concern.

To Altona's credit Sunshine played above themselves and played the best football ever seen in this competition.

**Final scores:** Sunshine 17 goals 8 behinds 110 points, defeated Altona 7 goals 7 behinds 49 points.

**Goalkeepers:** S. McFadgen 3, M. Calaz 2.

**Best players:** A. Skelley, W. Salsbury, S. McFadgen, J. Murray and B. Thompson.

The Altona Spastic Aid Committee would like to thank all who worked for and supported the street stall held in Pier Street last Saturday. The sum of £58 was raised.

Special efforts, roast dinner was won by Mrs. Gerrard, 137 Millers Road, Seaholme; Tupperware by Leacher Penduck, Carrum State School.

The next meeting will be held on Tuesday, July 9, at 9 Upton Street, Altona, at 1.30 p.m.

Any person interested in supporting the local spastics will be welcome on behalf of the committee.

## OBITUARY

**Mrs. G. Wronker**  
After a short illness in the Altona Hospital, Mrs. G. Wronker passed away on June 29.

She left her home town in Germany more than 20 years ago and resided in Altona for many years with her son-in-law, Dr. J. Lewin, and his family.

The family moved from Altona in 1960, and latterly Mrs. Wronker had been living in St. Kilda.

## HER "GUIDING STAR"

Last week a new Guide Hall was moved from Werribee to a site in Railway Avenue, Laverton.

On the day the Guide Hall was moved to Laverton an excited woman guider could not keep away from the site—eagerly she went backwards and forwards to the hall all day—one on-looker suggested she visited the hall 10-12 times.

Although the building is now a Guide Hall people are wondering if our woman friend considered the sign on the door of the building meant it was still open for its old business.

Until recently the hall was part of a Werribee hotel and the sign read "BAR."

## DINNER PARTY

Last Saturday evening at the Central Hotel it was birthday greetings to Mrs. Bruce Gill of Essendon.

Helping her celebrate the occasion were her husband and Mr. and Mrs. Peter Frearson of "Fleetwings," Laverton.

As well as enjoying the dinner they were very taken with the appearance of Toni Lamond.

## COUNCILLOR SERIOUSLY INJURED

Following a car accident, Cr. J. Bellin, of Werribee, has been admitted to Footscray and District Hospital seriously injured.

He was a passenger in a car driven by Cr. A. Davis, which came into collision with a car driven by Miss Alice Murray in the State Research Farm last Friday night. The councillors were on their way to a Werribee council meeting.

All three were taken to the Footscray Hospital. Cr. Davis and Miss Murray were treated for slight concussion and later discharged, but Cr. Bellin was admitted to hospital.

## ALTONA YOUTH CLUB SOCIAL COMMITTEE

The Altona Youth Club Social Committee will meet at 55 David Street, Altona, at 8 p.m. on Friday, July 5.

## VOCATIONAL TALK

Requirements for different careers will be the subject of a talk to parents attending the meeting of the Altona High School Parents' and Citizens' Association on Friday, July 12, at 8 p.m. at the school.

Mr. F. A. O'Ryan, employment officer with the Newport Employment Office, will speak principally to parents of students in Forms 2, 3 and 4, and mainly to parents of 2nd Form students, as these students have not commenced a specific course.

He will speak for 15-20 mins. followed by a question and answer time.

This will be an open meeting of the association and all parents are invited to listen to this important talk.

## THANK-YOU

Mrs. Davies wishes to thank the Matron and Staff of the Altona Hospital for their kindness to her mother, Mrs. Waddle, during her stay in hospital.

## YOUNG WIVES GROUP

St. Eanswythe's Young Wives Group will meet next Tuesday night, July 9, when a gemologist from Dunklings will be the guest speaker.

# CLEANLINESS REGULATIONS BREACHES

Immediate proceedings are to be instituted against the Laverton Bakery for breaches of the Cleanliness Regulations.

This was the decision of the Werribee Shire Council, acting on the recommendations of the health inspector (Mr. R. K. Andrew) at the council meeting held last Friday.

A notice is to be also served on the proprietor of the bakery which is in Railway Avenue, Laverton, requiring full compliance with the Food Premises Regulations by December 31, 1963.

If the proprietor fails to comply with the Regulations Mr. Andrew said, to safeguard public health, the registration of the premises should not be renewed.

Following complaints about the lack of hygiene at the Laverton Bakery Mr. Andrew inspected the premises which he found to be very sub-standard in relation to hygiene standards and to structural requirements as laid down in the Health Act.

Despite written and verbal warnings to the proprietor conditions have not improved.

## LAVERTON RESIDENT'S LONG ASSOCIATION WITH FOOTSCRAY HOSPITAL

Mrs. Joy Green (nee Dixon), of 112 Bladin Street, Laverton, has returned home from Footscray Hospital with her fourth baby.

Mrs. Green's association with the hospital goes back to 1951, two years before the hospital was opened, when she was a debutante at the first hospital ball. From the debs. of this first ball the Hospital Younger Set was founded and they have contributed £3000 to the hospital to date.

All of her babies have been born at the hospital, but unfortunately she missed out on being the mother of the 20,000th baby to be born there by five days.

# ALTONA TOO STRONG FOR I.N.F.

In a battle of the "giants" at Grant Reserve last Saturday, Altona were too powerful for I.N.F. and ran out easy winners by 45 points. Altona's accurate kicking and fast, play-on football were the dominant factors in a well-deserved victory.

	Altona v. I.N.F.	
1st Quarter	4 3 27	1 0 6
2nd Quarter	5 5 35	6 2 38
3rd Quarter	12 6 78	6 5 41
FINAL	14 7 91	6 10 46

With the use of the wind in the first quarter, the home team got away to a good start and soon opened up a handy lead. Both teams were playing it hard and fast and it looked like being a keen struggle. The centreline duels were prominent in this term with Brian Smith winning in the centre for I.N.F. and Bob Combes starring on the wing for Altona.

I.N.F. made full use of the breeze in the second quarter and soon bridged the gap. Both sides had players playing their 100th games, namely, John O'Malley and John Andress, and both played very well for their respective clubs. Stan Sandford was in brilliant form at centre-half back for I.N.F. and stemmed many an Altona attack. Altona's defence of Ian Harris and Mario Piovesan were overshadowing I.N.F.'s star forwards Jim Townsing and Sam Pante and this hampered I.N.F. to some extent. At half-time I.N.F. held a slender three point lead. The third quarter saw Altona with the advantage of the breeze, but not using it. The visitor's defence turned them out repeatedly and it looked as if I.N.F. were in the "box" seat. Then, typically, Altona revived. Their rucks instigated many moves and they put on four goals in as many minutes.

## SOUTH MOVE INTO SECOND PLACE

Owing to a superior half-back line and more vigorous play, Werribee South defeated a younger and less experienced Metro. Farm at Chirnside Park on Saturday.

Werribee South v. Farm	
1st Qr. ....	2 4 16
2nd Qr. ....	5 7 37
3rd Qr. ....	9 11 65
FINAL .....	11 12 78

Farm were first to goal, but South retaliated soon after and from then on were never headed. Stirling play by John Martin roving and Darcy Whelan on the wing kept Farm in the game. John Aldersea was keeping "Fisher Award" leader Ken Munyard in the background and with John Cooney playing well in a back pocket, formed a solid defence. At the other end of the ground Rober Dove at centre-half back for South was backing his judgment well and proving hard for Farm to pass. While in the centre Len Allison, who was quiet early, started to dominate in the air and was providing South with lots of drive. Tom Stoios played a great captain's game for South by backing up well,

## C.Y.M.S. WIN WELL

Although slow to get into stride, greater teamwork and co-operation enabled W'town C.Y.M.S. to decisively defeat Newport at Digman Reserve on Sunday.

Newport v. C.Y.M.S.	
1st Qr. ....	0 0 0
2nd Qr. ....	0 0 0
3rd Qr. ....	0 2 2
FINAL .....	2 2 14

With a winning ruck and a solid defence, Town should have built up a commanding lead by half-time.

However, use of foolish handball on their forward line limited their scoring opportunities and they managed to lead by eight goals at half-time. Newport tried hard to get into the game but were kept in the background by the overall strength of their opponents.

## FOOTBALL

Matches to be played on Saturday and Sunday, July 13 and 14, are as follows—  
**SATURDAY—SENIORS**  
Altona v. Laverton  
I.N.F. v. Central Altona  
Metro. Farm v. W'town Rovers  
Newport v. Werribee South  
**SUNDAY—JUNIORS**  
Laverton v. Altona  
Central Altona v. I.N.F.  
W'town C.Y.M.S. v. Werribee  
Werribee South v. Newport.

Two highlights of the game would have been the clash in the ruck of Kevin Lynch and Steve Rieger and the interesting centre duel between Andy Stewart and Greg Wheatley.

Best: C.Y.M.S.: Rieger, P. Zamykal, Wheatley, Gulliver, Vaughan. NEWPORT: Lynch, Stewart, Taylor, Kite, Davies.  
Goals: C.Y.M.S.: Rieger 4, Zamykal 3, Hill 2, Wylie 2, Kelly 2, Ward 1, Beani 1. NEWPORT: Taylor 1, Miller 1.

## NEWPORT DEFEAT ROVERS

A one-sided affair took place at Newport on Saturday when Newport easily defeated Williams-town Rovers by 17 goals at Newport.

Newport v. Rovers	
1st Qr. ....	7 3 45
2nd Qr. ....	10 14 74
3rd Qr. ....	13 19 97
FINAL .....	20 21 141

Positional changes appeared to be the order of the day and the most successful of these would have been the playing of star Newport centreman Tom Jenkins as a rover. He scored six goals and was a driving force all round the ground. Ron Dingey again performed as expected of him and was a worry to Newport ruck-men. Rovers must get a stern "pep" talk at half-time as the last two weeks they have outscored their opponents, I.N.F. and Newport respectively in the three quarters.  
Best: NEWPORT: Jenkins, McNamara, Evans, Withers, J. Hope. ROVERS: Dingey, L. Moore, Matthews, Pitt, Spence.  
Goals: NEWPORT: Jenkins 6, Muschiali 4, McNamara 3, Withers 2, Ackerly 1, Woodsell 1, Burns 1, Evans 1, Ward 1. ROVERS: Moore 2, Dingey 2, Woodward 1.

## ALTONA FOOTBALL CLUB

## ALTONA JUNIOR FOOTBALL CLUB

A bottle drive will be held on Sunday, July 7, at 9 a.m. from Mr. and Mrs. E. Ward's, 1 Blyth Street, Altona. The Junior Circle winner this week was No. 57.

## "ALTONA STAR" AWARD

Sunday's votes for the "Altona Star" award for the best and fairest junior Altona footballer are—  
Bartolo, 3; McLean, 2; R. Schwabe, 1.  
The progressive total is—  
14 G. Ewen, G. Munro.  
8 A. Bartolo.  
7 P. McLean.  
3 G. Hobbs, P. Itter, J. Piovesan.  
2 C. Cotter, J. Clarke, W. Houghton.

## THIS WEEK'S GAMES

This Saturday the Werribee Football League will play the Bacchus Marsh Football League at 2.30 p.m. at Chirnside Park, Werribee, for the A. F. Mason Trophy. The under 18 teams will play the curtain-raiser at 12.30 p.m. This is the tenth time the Leagues have met, with the Bacchus Marsh League winning six and Werribee three times. The Werribee League under 18 team has never been beaten.

# South too Strong in Final Qtr.

In excellent conditions at Soldiers' Reserve on Sunday, Werribee South's more solid defence and greater determination in the latter stages enabled them to run all over Werribee in, what proved to be, a thrilling encounter.

Werribee v. W'bee South	
1st Quarter	2 3 15
2nd Quarter	5 3 33
3rd Quarter	7 8 50
FINAL	9 8 62

South were first to goal but Werribee, showing greater purpose and co-operation around the ground, soon replied. Peter Shanahan was in everything for Werribee and Ian McNaughton was like the "rock of Gibraltar" at centre-half back for South. Although Werribee had the use of the slight breeze, it was apparent that they lacked strength up forward and, had this not have been so, they would certainly have led by a greater margin at the first change.

For the first half of the second quarter the game was in the balance.

It was goal for goal and nobody knew who was the better side as the lead changed four times before South gained the initiative.

Barry McCallum on the wing for South was keeping his side in attack and John Smith was like a terrier for Werribee. At half-time South held a thoroughly deserved 11 point lead.

The third quarter was all Werribee. South only had the ball on their forward line twice and these attacks were easily repulsed.

South was playing the man and giving away costly free kicks.

This eventually cost them the lead when Greg Doolan was freed 40 yards out and scored Werribee's seventh goal. Werribee had had 90 per cent. of the play in this quarter and the fact that they only scored two goals four behinds emphasised their lack of good forwards.

# MANY CHANCES IN £100 VOTING

Newport utility player Tom Jenkins received three votes for his performance as a rover against Rovers on Saturday and has now become equal leader with Ken Munyard of South in the race for the £100 donated by Fisher Motors of Werribee.

Altona star, Mario Piovesan, was again in the thick of the voting on Saturday and his two votes have placed him level on 14 votes—one vote down—with early leader Ron Dingey of Williamstown Rovers.

As mentioned last week, Johnny Martin of Farm certainly looms as a danger to the leaders, as he now ranges within two votes of the leaders. Central Altona ruck-rover Keith Murrell joined his team mate Len Marr on 11 votes to share fourth place.

## HOWARD PARISH PTY. LTD. £50 (JUNIORS)

## JUNIOR VOTING REACHES INTERESTING STAGE

Voting in the Howard Parish Pty. Ltd. £50 Award has reached an interesting stage following the casting of votes last Sunday.

Newport's Andy Stewart still holds his lead, but the margin was cut to one vote by Steve Rieger of W'town C.Y.M.S., who received one vote on Sunday.

Gary Sheahan, Werribee captain, was awarded three votes for his inspiring leadership.

## ALTONA DEFEAT I.N.F.

In fair conditions at Chirnside Park on Sunday a sluggish Altona comfortably defeated I.N.F.

I.N.F. v. Altona	
1st Qr. ....	2 2 14
2nd Qr. ....	2 2 14
3rd Qr. ....	2 4 16
FINAL .....	2 5 17

Playing far from their best, the visitors were troubled early by their less experienced opponents and only for a four goal burst late in the second term they would not have led by so much at the interval.

However, with a winning ruck led by Ron Schwabe, Altona forged further ahead after half-time, although still not in top gear. "Bonga" Hobbs roved well to the winning ruck and sent his side into attack repeatedly.

I.N.F. played well in the first half and can be well satisfied with their form.

Garry Flynn on the wing was their best player and Silvio Toffolon in the ruck played a serviceable game wherever required around the ground.

Best: ALTONA: Bartolo, G. Munro, McLean, Mollow, G. Hobbs. I.N.F.: Flynn, R. Reidy, Parker, Richens, Rigo.

Goals: ALTONA: McLean 4, Munro 3, Hobbs 2, Schwabe 2, Houghton 1. I.N.F.: Maher 1, Masterson 1.

# Ample Fire Protection for Lav.

—SAYS WERRIBEE COUNCIL

Complaints on the lack of fire protection for Laverton were not favourably received by councillors at the Werribee Council meeting held last week.

The Laverton Progress Association had written to the council on the lack of fire protection in the East Riding and requested which authorities should be notified in case of a fire.

Cr. B. Comben said any fire in Laverton had always been well attended. In fact he had known of 150 R.A.A.F. men to attend the one fire in Laverton.

He suggested a letter be sent to the association informing them the East Riding pays £300 annually to the Metropolitan Fire Brigades for fire protection and he considers Laverton is adequately protected. He further suggested fire brigade telephone numbers be displayed around Laverton. The council agreed to these proposals.

## LAVERTON A.L.P. REQUESTS

Two matters brought to the attention of the Werribee Shire Council by the Laverton branch of the A.L.P. are to be investigated.

The first was an inquiry asking if anything can be done to prevent the washing of taxis near the footpath leading to the Laverton railway station.

The second suggested the lighting in Railway Avenue, Laverton, from Ascot Street, to Linden Street, was inadequate.

The branch is to be notified that the council will investigate the matters.

# WERRIBEE DISTRICT HOSPITAL

When the Werribee District Hospital was opened by the Hon. R. W. Mack, Minister of Health, on September 16, 1962, the committee saw the fruition of its dreams and strenuous efforts over the past 16 years.

By 1946 it had become evident that the existing hospital, "Wandene" in Synott Street, Werribee, was not adequate for the needs of the growing community.

Twelve patients could be accommodated, but the facilities were such that only maternal, medical and simple operations could be accepted.

In that year a public meeting inaugurated an appeal to raise funds for a 26 bed hospital. An amount of £13,000 was estimated (£500 per head) as the cost. The Altona hospital built in 1938 had averaged that cost. When finally completed the hospital building cost £242,000—over £9000 per bed.

A provisional committee was formed. Two of its members are still serving—Mr. S. Thompson and Mr. W. Towers. The Committee and the Ladies' Auxiliary received enthusiastic support from the community. By 1962 nearly £40,000 had been received.

The hospital on a 4½ acre site overlooking the Werribee River is a single story building of 22 beds (with emergency accommodation for four extra beds), a Matron's flat and four staff homes.

The buildings are functionally designed and the equipment is complete and of the most modern type. Werribee hospital is the first hospital in Victoria to be equipped throughout with stainless steel beds.

In charge is Matron Gleeson, with 15 nursing staff members and nine domestic.

The Committee of Management is headed by Cr. J. Bellin, J.P., president, with Mr. E. Thompson and Mr. J. Feagan, vice-presidents. Mr. J. T. Cooney is manager-secretary and Mr. R. Darlison is the treasurer.

The Ladies' Auxiliary has for its leaders Mrs. Cooney (president), Mrs. Smith and Mrs. Bellin (vice-presidents), and Mrs. Sinclair (secretary-treasurer).

Since its inception in September, 1962, inpatients have numbered 550, out patients 200. There have been 180 babies born.

In the last four months the daily average has been 16.6 inpatients. This for a 26-bed hospital gives an occupancy rate of 63.8%. That, in a growing district, this percentage has been achieved in its first year, indicates that the hospital and available beds has been more than justified.

The number of patients to each member of the nursing staff is 1.04—this, a measure of efficiency, compares more than favourably with other district hospitals.

## NEW DRAIN DEMANDED

The Werribee Shire Council is to forward a letter to Weinberg Pty. Ltd. directing that ALL wastes from the company's abattoirs are to be discharged into the outfall sewer within 30 days.

The company has constructed an unauthorised drain from the mutton room floor which connects with a blue-stone drain which takes sullage and stormwater.

The effect of this drain is that water containing blood is discharged onto land facing Doherty's Road, Laverton, and the resulting seepage and flowing of liquids containing matter likely to become offensive collects on the road reserve thus causing a "nuisance" and the likelihood of road damage.

After conferring with the trades waste section of the Melbourne and Metropolitan Board of Works, the Health Inspector (Mr. R. K. Andrew) said the Board will accept all wastes into the outfall sewer.

In fact, the Offences Trades Regulations requires all drainage from an abattoirs to be discharged into the sewer.

## NEW FIRE HYDRANTS

The Metropolitan Fire Brigade will be installing two more fire hydrants in Laverton.

The water main in Donald Street is to be extended and a hydrant placed at the end of the extension.

The second hydrant will be installed in Epsom Street, midway between Railway Avenue and Princes Highway.

## WERRIBEE SWIMMING POOL

Werribee and District Swimming Pool Committee of Management forwarded their annual financial statement to the shire council.

With the statement came a request for £300 to meet commitments for next season.

Councillors readily agreed to make £300 available to the committee.

At the same council meeting Cr. Hudson on behalf of the committee presented the council with a cheque for £200. Altogether this makes £9500 the committee has raised towards the cost of the pool. They undertook to raise £10,000 towards the cost and intend to reach this target.

## OLD GEELONG ROAD LIGHTING

Werribee Shire Council is to make a further request to the State Electricity Commission for street lighting on the old Geelong Road between Princes Highway and the I.C.I. factory.

The council did apply two years ago but as there was no power available at that time the S.E.C. refused the request.

Apparently power is available now, therefore, the council will make another application for lighting.

## GOLF CLUB AMENITIES

The Werribee Golf Club applied to the shire council for financial assistance in building a new toilet block.

The club pointed out the present facilities were inadequate and a new block would be an asset to the district.

The cost of the proposed block would be £500 but the club could only afford £150. Therefore, they requested assistance with the balance of the cost.

Council has deferred a decision on the matter until it has ascertained the position between the Golf Club and the Werribee Racing Club.

## STOCKYARD PETITION IS ON THE WAY

The petition signed by Laverton residents objecting to the building of the stockyards near the Laverton Railway station has now reached the Minister of Transport, said Mr. Minns, shire secretary.

Mr. Minns was replying to a question put by Cr. B. Comben at the last Werribee Council meeting.

The matter was raised when a letter from the Laverton Progress Association was read to councillors and this question was included in the letter.

Mr. G. R. Crick, M.L.A., who had expected to receive the petition, had previously asked association members what had happened to the petition.

The shire secretary had forwarded it through the correct channels.

# WERRIBEE MARCHING GIRLS

At the inception of the Werribee Marching Girls, over 100 girls applied to join the teams. The organisers have formed one senior, three junior, and three midget teams.

As they have more girls than was anticipated the cost of providing uniforms for the teams is a problem. Therefore, the president of the Marching Girls Association requested financial assistance towards the cost of the uniforms from the Werribee Shire Council.

Cr. Hudson said rather than see the association have to reduce the number of girls participating he moved the council donate £50 out of Central Riding funds.

It was pointed out that both East and West Ridings have marching girls teams and have not received assistance.

With the donation coming out of Central Riding finance the other councillors readily agreed to the donation.

## LAVERTON GIRL GUIDES

A request for council assistance from the Laverton Girl Guides Association has been referred to the East Riding councillors.

The association informed the

## DOOR-KNOCKS TO BE TREATED ON MERITS

Future applications for door-knock appeals in the Werribee Shire will be treated on their merits as they come forward.

This was the decision of councillors at the council meeting held last week.

At a previous meeting councillors had voiced their disapproval of the number of door-knock appeals being conducted in the shire.

It was suggested they were becoming a nuisance, but a final decision on whether they should be allowed in the shire was held over to the meeting last week.

Councillors decided not to completely ban them but in future they will not automatically give permission to all applicants.

council that the Guide Hall has now been placed in position on Railway land at Laverton.

# LAVERTON, CENTRALS IN DRAW

It was like a grand-final atmosphere at Laverton on Saturday, after Laverton and Central Altona had fought out a thrilling draw in good conditions for football.

Laverton v. Central			
1st Qr.	0 0 0	5 6 36	
2nd Qr.	4 10 34	5 7 37	
3rd Qr.	6 11 47	8 9 57	
FINAL	8 15 63	9 9 63	

Inaccurate kicking in the first half proved costly for Laverton as they had only scored four majors from 14 scoring shots at the interval.

Both sides fought hard all day and the ball was seen continually see-sawing between the defences. For the positions these teams hold on the premiership ladder it was incredible to see the standard of football they turned on.

Laverton ruckman John Hall was a tower of strength for his side and carried the burden of strength for his side when Laverton attacked persistently into the wind in the third quarter.

Keith Murrell was at his best in his role of ruck-rover for Centrals and proved an asset to his side, when Laverton foolishly crowded their own forward line, with a "no stopping me" attitude.

Best players: Laverton: J. Hinds, Hall, J. Devereaux, Grimes, Taylor. CENTRALS: J. Murrell, Trevean, Looker, Ewen, Wilson.

Goals: LAVERTON: Hall 3, Hinds 2, W. Devereaux 1, J. Devereaux 1, W. Cameron 1. CENTRALS: L. Marr 2, Glynn 1, K. Murrell 1, Jones 1, Wilson 1, Looker 1, Trevean 1.

## CENTRALS DISPLAY POWER FOOTBALL

Central Altona turned on a dazzling display of power football to crush the small Laverton side at Langshaw Reserve on Sunday.

Central v. Laverton			
1st Qr.	13 9 87	0 0 0	
2nd Qr.	17 14 116	0 0 0	
3rd Qr.	24 27 171	2 1 13	
FINAL	29 23 207	2 1 13	

A first quarter of 13 goals was the best start Centrals have had this season and the young Laverton team had to have the misfortune to be on the receiving end.

Centrals were too powerful and vigorous and almost did as they liked for the four quarters.

Centrals forward line did a lot of damage, naturally, and Micky Hill at centre-half forward continued on from the previous Sunday by kicking five goals.

Laverton had a winner in the centre in Robert Rigney and a great battler at full-back in Jeff Cameron.

Best: CENTRALS: Szatkowski, Crawford, Kennedy, Johnstone, Barnard. LAVERTON: Rigney, Sytema, Sargent, Bannister, W. Pyne.

Goals: CENTRALS: Crawford 9, Hill 5, Szatkowski 4, Peatling 4, Johnstone 3, Stumbras 2, Kizan 1, Barnard 1. LAVERTON: Sytema 1, Thompson 1.

## LABOR VIEWS

(The following article has been contributed to the "Star" by the Central Executive of the A.L.P.)

Among the delegates who attended the 1963 Annual Conference of the Victorian A.L.P. over Queen's Birthday weekend, were many from the countryside. They represented the industrial as well as the rural industries of Victoria.

From Ballarat came Mr. Aub Keane and Mr. E. I. Morris representing the two State electorates. Also from Ballarat came Mr. John Hayes, representing one of the trade unions.

The Hon. J. J. Jones, from Stawell, chairman of the Rural Policy Committee of the A.L.P., was also present.

Mr. Jones played a key role during the conference as it was his responsibility to guide the deliberations of the delegates on the amendments proposed by the Country Conference to the Rural and Decentralisation platforms.

Supporting Mr. Jones were delegates Mr. E. Lawton, from Mildura, and Mr. R. J. McClure, a grazier from Hamilton.

The annual conference adopted many changes to the party's rural platform, which will be made available shortly in a re-printed form.

Particular attention was paid to the vital question of decentralisation, a subject to which both the Country and Liberal Parties pay but lip-service. Conference demanded a referendum with a view to making decentralisation and balanced development of industry throughout the Commonwealth a responsibility of the Federal Government.

Another resolution asked the State Leader to investigate the exorbitant charges made by the Country Roads Board. The Rural Policy Committee of the party was instructed to prepare a scheme for water conservation supported by a sound financial policy.

Conditions in country industries were also discussed and the delegates expressed their concern at the inadequate supervision of industrial awards in country areas. A reduction in the areas supervised by each shop and factory inspector was called for. Conference also re-affirmed

the A.L.P. policy calling for remission of petrol and diesel taxes to the States for road-making.

Conference also supported those wool growers who are seeking an orderly marketing of their product and called upon the Wool Board to give this scheme absolute priority.

Elected to the Central Executive were Mr. Percy Outen, from Maryborough, Mr. G. Gowty, a dairy farmer from Koroit, and Mr. Neil Frankland, an irrigation farmer from the Murray Valley.

The Hon. R. W. Holt, LL.B., who represented the State Seat of Portland in the Victorian Parliament, and who has close ties with the country, was re-elected unopposed for a second term as State President.

The 1963 Annual Conference of the A.L.P. gave the lie to those who claim the A.L.P. is a "city-based" party. Unlike any other party, the A.L.P. represents and speaks for all sections of the community.

It recognises that true development is not measured by the number of sky-scrapers erected in Melbourne, but by the general well-being of the people, no matter where they live.

Within the A.L.P. farmers meet industrial workers on equal terms and have an equal voice in the formulation of policy. It is not an unusual sight at an A.L.P. conference to see farmers in deep discussion with wharves or other industrial workers. There is always good fellowship and a readiness to learn of each others difficulties.

It is this spirit which makes the Australian Labor Party a truly State-wide Party.

## THE D.L.P. SAYS...

(The following article is contributed by the Victorian Branch of the Australian Democratic Labor Party.)

Over the Queen's Birthday weekend, the Victorian Branch of the Democratic Labor Party held what was probably its most important and also its most successful Conference yet. The D.L.P. has always had the safety of Australia as a keystone of its policies, and this year was no exception.

Casting aside precedent, the Conference devoted almost all of its first session on the Friday night to a comprehensive policy on defence and security, calling for—

- ★ World nuclear disarmament and the rejection of the Communist inspired A.L.P. policy of a nuclear free Southern Hemisphere.
- ★ Called for a strong alliance with America, and approval of the new American base at the North West Cape.
- ★ Increased defence expenditure, including the re-instatement of Australia's National Service Training Scheme.

The D.L.P. has repeatedly been called the Party that is interested only in one thing, that is, the Red Bogey. Admittedly, Communism certainly came in for its share of discussion, but not to the exclusion of worthwhile policies which would benefit the family man, the small farmer and the migrant. A few of the interesting policy decisions were the following, which provided for—

- ★ A constructive program for education.
- ★ A party seminar on the

problems of the small business man, and the proposed legislation against restrictive trade practices.

- ★ A fairer basis for assessing municipal rates.
- ★ The removal of sales tax on household requirements.
- ★ A commission of inquiry into exorbitant bank charges.
- ★ The retention of the Arbitration System, but with many of the present anomalies removed.
- ★ A realistic plan for decentralisation.
- ★ A reduction in the term of residence necessary for migrants to qualify for social services and naturalisation.

One aspect of the Conference which is always pleasing was the high percentage of young people who were there as delegates from the State Electorate Councils and Unions, and although Conference was, in the main, a youthful one, the standard of debate was exceptionally high, and portrayed the excellent grasp of the many problems confronting Australia at home and abroad.

### OIL AWARD DISSATISFACTION

On Tuesday, June 25, in Werribee, a meeting of representatives of the major oil company employees met to discuss the increasing dissatisfaction that is mounting against the long negotiations of the Oil Award.

They feel that there is a very great need for a report back from the several meetings that have taken place between the A.C.T.U. and the oil companies.

Weekly meetings have been organised in all the large establishments. Over 500 employees were represented from Geelong, Altona and Newport.

## MARCHING GIRLS IN AUSTRALIA

This sport for girls, which is relatively new in this country, but rapidly gaining in popularity, originated in New Zealand. Many people confuse these girls with the American pattern of Majorettes, whose sole purpose is to infuse sex and beauty into street parades, carnivals, football matches, &c. This could not be further from the truth. Marching Girls, as in any other sport, work to a set pattern. All movements are based on actual army drill and are strictly controlled by judges.

A team consists of 10 girls, three ranks of three and a leader, whilst the competitions in which they participate are divided into five major portions, and controlled by separate judges, who work independently of each other, starting from nothing and deducting points for each error they see, so the team which loses the least points at the end of the day, is the winner. The divisions are—

1. **Costume** (two judges).—When uniforms are judged for cleanliness, neatness, suitability and fit.
2. **Fall-In Inspection** (two judges).—When the leader, by one judge and team by the other, are tested for alertness, reaction, correct basic drill and regulation pacing for the particular grade.
3. **March Plan** (six judges).—When leader and team are tested on their ability to carry out a set series of drill movements on the march between a number of discs set on the ground, whilst controlled by the whistle signals from the leader. This plan is different for each grade and is changed each year.
4. **Display March** (three judges).—Which follows directly on from the end of the March Plan and is a product of the imagination of the team and instructor. The girls are confined to a set area and a time limit, and must finish in a 10 foot circle at a set point. They are only allowed up to five paces between movements without loss of points.
5. **March Plan** (three judges).—when the girls carry out

a set series of evolutions, which include saluting a base on the march, and they are measured for spacing when they halt at the finish.

Prizes are also given for the lowest aggregate points of the day and for the leader who loses least points.

The only other activities in which these girls participate are massed displays, which, incidentally, are one of the most colourful sights you can see, and street marches, when only straight marching is allowed—no dance steps or batons.

Marching is a sport which teaches girls discipline, bearing, posture, alertness, aids carriage by instructing them how to take a set length of pace, and promotes friendship with others from all walks of life.

Girls are divided into three grades—Midget, 8-12 years, Junior, 12-15 years, Senior, 15 years and over. They are all strictly chaperoned wherever they go, whether it be on the march or at a social.

These, then, are our marching girls, so next time you see a girl in a blazer walking down the street, head erect, arms swinging, with a good carriage, looking as if she knows just where she is going, take a peep at that blazer pocket, and 10-1 she is a marching girl, a credit to her club and to her country.

Next time, too, you pass a park or ground and hear music or see a competition advertised, pop in and have a look and give this worthwhile youth movement your wholehearted support.

**ALTONA HOCKEY  
CLUB NOTES**

A Grade.—Playing the top team, Altona were given a lesson in forward play.

Greensborough were surprised when Altona scored the first goal from an unorthodox, but effective penalty corner.

The lead by Altona was short-lived and at half time were down 3-1.

With one Altona player being injured and taken to hospital, the remainder of the game was played with 10 men.

Final scores: Greensborough 7, defeated Altona 2.

Goals: T. Smith 2.

Best player: T. Smith.

B GRADE.—In the worst umpired game at Altona for years it was more like a riot than a game of hockey, as many players were injured, with one going to hospital.

Altona were into attack at the start and took a 3-0 lead at half-time.

In the second half Essendon scored two goals, but could not keep out the home side.

Final scores: Altona 5, defeated Essendon 2.

Goals: K. Burgess 2, H. Doerner 1, W. Davis 1, F. Roadley 1.

Best: H. Doerner.

C GRADE.—Playing a much stronger team in Preston, the locals suffered their second defeat this year.

Altona were no match for the skill of the forwards as they had the call in the scoring zone most of the day.

Only good goal-keeping by A. Fry kept the score down to a reasonable amount.

Final Scores: Preston 4, defeated Altona 0.

Best: A. Fry and E. Kip.

**UNDER AGE HOCKEY**

UNDER 13.—This team

played well until half-time. But changes made at the interval to give all the boys a run proved disastrous and Brunswick ran out easy winners 7-0.

Best: T. Abella and B. Smith.

**THIS WEEK'S GAMES**

A Grade v. Footscray away at 3.30 p.m.

B Grade v. E.G.S.O.B. away at 1.45 p.m.

C Grade v. E.G.S.O.B. at home at 3.30 p.m.

Under 15 have a bye.

Under 13 v. Footscray away at 10.30 a.m.

**ALTONA LADIES  
HOCKEY CLUB**

After a late start C GRADE convincingly defeated Greys 7-2.

Altona was one goal in front before half-time when Greys goalie was injured by a bystander's ball and had to retire from the game.

Altona then scored another four goals in the second half.

Goals: Vi Smith 4, L. Leilak 2, V. Wing 1.

Best players: Vi Smith, L. Leilak and C. Hayes.

E GRADE drew with K.T.C. 1 each. Although a younger team, Altona had all the opportunities of winning, but could not score the goals.

Goal: R. Hayes.

Best players: R. Hayes and S. Erickson.

**THIS WEEK'S GAMES**

C Grade have a bye.

E Grade v. St. Leonards at home at 1.45 p.m.

**WEST NEWPORT  
BASEBALL CLUB****A TEAM**

Playing their wo game for the year, W Newport were beaten second top side M bourne University 12 and have now moved down to fourth place.

Unless a big improvement is shown this week they could go out of the top four.

Many fielding and men errors in the first three innings allowed University score eight runs and take 8-1 lead.

The batting of the team was below standard, and a improvement will have to be made for the side to have a chance of beating top team Northcote this week.

One reason for the team's poor showing is the lack of practice.

Kevin Michael again thrived well to Alan White, but the fielding of the side let them down.

Safe hits: Chris A'postilidis 2, Alan Solomano 2, Kevin Michael 1.

Best players: Kevin Michael, Alan White and Ray Scott.

**B TEAM**

The B Team played East Sunshine at West Newport and were defeated 12-4.

The team showed an improvement on the previous game, although they were not at full strength.

Tony Michael pitched well to Don Henderson, as regular pitcher Alec Parker is still unable to pitch owing to an arm injury.

West began well in the first innings by scoring four runs, but East Sunshine attacked the ball and evened the score and then went on to take the lead 6-4.

East Sunshine were held in the next frame, but the broke away and batted in five runs, which were scored mostly on errors.

Best players: Don Henderson, Kerry Barr and Danny O'Connor.

**JUNIORS**

Newport defeated West Newport 5-2 in a good game which was played closely through to the finish.

Terry Forrester pitched well to Don Henderson, but errors in the team cost them the chance of a win.

The Juniors showed an improvement in their batting.

Safe hits: T. Forrester, T. Whitlock and J. Armstrong.

Best players: T. Forrester, T. Whitlock and J. Armstrong.

**TEAMS FOR SATURDAY**

A Team.—T. Michael, A. White, A. Solomano, R. McDonald, J. Armstrong, K. Michael, R. Scott, J. Michael, J. Reale and C. A'postilidis.

B Team.—D. Bearman, D. Henderson, A. Parker, T. Scas, D. McKay, P. Campbell, A. Boxshall, K. Barr, D. Swallow, T. Forrester and J. Little.

**THIS WEEK'S GAMES**

A Team play Northcote at Northcote Football Ground.

All players to be there by 12 noon.

B Team play Newport Baptists at Loft Reserve, West Newport. Players to be at the ground by 12 noon.

The Juniors play Brunswick at Sumner Park, Alister St. East Brunswick, at 9.30 a.m.

**SEAHOLME SCHOOL SPORTS****FOOTBALL**

Werribee 6.6.42, defeated Seaholme 2.0.12.

Best players: Brian Garde, Gary Eagland, Jim Walker, Ray Youle and Ian Bennett.

Goalkeepers: Ian Hughes 1, Phillip Tyrell 1.

**BASKETBALL**

Werribee 12, defeated Seaholme 7.

Goal throwers: Susan Luxford 4, Lynne Knapp 3.

Best players: Susan Luxford, Shirley Greenshields, Kay Stirling and Janine Doherty.

## USE OF MARIBYRNONG WATER

### —THE CASE AGAINST IT

In preparing the overall plan for future water supplies for Melbourne, no provision was made for tapping the flows of the Maribyrnong River for two principal reasons—

1. It was considered that the water resources of this river system should be reserved for urban development (outside the metropolitan area), market gardening and other forms of irrigation within the Maribyrnong River catchment. 2. The water is of very poor quality.

Whereas evidence has been presented to the Public Works Committee on behalf of the Jacksons Creek Water Users League (Jacksons Creek is a major tributary of the Maribyrnong River) confirming that the waters of that stream could and should be reserved for local usage, the State Rivers and Water Supply Commission has proposed to the Public Works Committee that most of the waters of the Maribyrnong River and its tributaries (and of the Yarra between Warrandyte and Warburton) should be used for metropolitan supply in lieu of that part of the Board's proposals which provides for diversion of water from the Big River to Melbourne.

Use of the waters of the Maribyrnong River and of the middle reaches of the Yarra River as proposed by the State Rivers and Water Supply Commission would necessitate extensive treatment and pumping.

Even with treatment the Maribyrnong River water would be relatively very hard and contain a high sodium chloride (salt) content compared with the chemically very pure water to which Melbourne is accustomed.

The Maribyrnong River water would still have a total hardness of up to 200 parts per million, compared with an average figure of about 12 parts per million for water supplied to Melbourne from Silvan Reservoir.

The relatively high hardness and chloride content of the Maribyrnong water would make it detrimental for many industrial users and disadvantage for domestic use.

If the Board is forced to use the Maribyrnong River water as proposed by the State Rivers and Water Supply Commission it would enter the metropolitan reticulation system at Somerton Reservoir, and most of all of the reticulated areas of the municipalities of Broadmeadows, Keilor, Sunshine, Altona and Werribee would receive an admixture, three-quarters of which would be Maribyrnong River water.

Many industries in this area would be forced to instal plant for further treatment of the

water or to transfer part or all of their manufacturing processes to other suburbs not receiving any Maribyrnong water.

As regards domestic use the principal disadvantage would be the difficulty in obtaining a lather with normal soaps.

Whereas water from the Big River could be diverted to the Upper Yarra Reservoir and delivered to Silvan Reservoir for about 6d. per 1000 gallons, the cost of pumping, treating and delivering to near metropolitan reservoirs of waters of the Maribyrnong and middle sections of the Yarra Rivers would be very considerably higher. The State Rivers and Water Supply Commission claims that this could be done for about 1/3d. per thousand gallons, but investigations by the Board indicate that the cost would likely be about 1/9d. per thousand gallons.

The difference of 1/3d. per thousand gallons for this portion of the total supply to Melbourne would, when spread over all metropolitan consumers, require an increase in rates and charges of about 20%, e.g.: a water rate of 9d. in the £1 instead of 8d. in the £1 and a charge for water by measure of approximately 2/5d. per thousand gallons instead of 2/- per thousand gallons.

The effect of these increased charges on the average domestic household would be about £2 a year.

## W.F.L. DELEGATES MEETING

It was decided at the Werribee Football League delegates meeting on Friday night to stage two presentation nights at the conclusion of the season.

A committee has been elected to arrange a dinner for the presentation of trophies for the junior competition and senior smoke night for the senior competition.

The main reason behind the two nights was the possible young age of some of the recipients of the trophies. It was thought that quite a few parents would object to their sons attending a night which is comprised mainly of adult entertainment.

Another point considered was the possible large attendance which could result if it was decided to stage only one presentation night.

DISCUSSION ON EXTRA COMPETITION DEFERRED UNTIL LATER

Some very interesting aspects were voiced when delegates discussed the possibility of introducing either open-age seconds or an under 15 competition next season.

There seemed to be more in favour of the seconds than the under 15, mainly because of the overflow of players who have reached the junior age limit, yet are not quite up to senior standard. Many of these players apparently lose interest when they find they cannot make the seniors and turn to other entertainment

and almost give the game away completely.

Finally, it was decided that a decision could not be given at this time of the season and it was deferred to a meeting later in the season.

## CURTAIN-RAISER TO PRELIMINARY FINAL ON SUNDAY

A proposal to conduct a curtain-raiser to the senior preliminary final on Sunday, September 29, met with unanimous approval at the meeting on Friday night.

It was proposed that the match would be between the combined junior side selected to play Bacchus Marsh on Saturday and an under 18 side selected from the remainder of the junior competition.

The W.F.L. junior vice-president, Mr. W. Ward, stated that it would give those should have been in the combined side a chance to prove players who thought they the selectors wrong.

## TABLE TENNIS NEWS

With the important annual tournament little more than a week away (July 15-22), most players are striving to reach and maintain top form.

### CENTRE NEWS

Although opened less than two years ago, the Western Suburbs Table Tennis Centre in Garden Street, W'town, has already proved a success, and indeed, there are evenings when it is difficult to find an empty table.

In common with other sporting centres, it presents quite an international scene on match nights. Among the recent players and visitors were Charind Buranond (champion of the Thai Naval Academy); Lou Mulvany, who in his youthful days won the junior singles title of Vienna; Lim Chun, from Hong Kong, who is one of Standard Steel's best players. Ohing Kai Goh, from Kelantan in Malaya, plays A Reserve in the city as well as A Grade for Footscray, and is a pen grip player with a dynamic hit. He is approaching completion of a course in civil engineering, and hopes to return to Malaya in 1965. His team-mate S. S. Wu, answers to the nickname of "Steamship," and also plays a very good game.

### R.A.A.F.

This team includes men who are not only skilful at the sport (they are level with Kingsville for top place), but also worthy of commendation in other spheres.

Flight Sergeant Tom Daly, for instance, has a long and distinguished record, and is instructor in charge of the training of German Shepherd guard dogs at No. 1 Depot, Tottenham, in addition he is also renowned within the air force as a painter of landscape scenery.

Warrant Officer Bill Perritt trains the men who will later operate with the dogs of guard duty at various R.A.A.F. establishments.

Others in the team are Frank Element and Nell Wilson, and "pag leg" Arthur Lane. A leading exponent, Arthur plays under a severe handicap—he lost one leg below the knee in action against the enemy in 1943, and yet he is surprisingly mobile to the extent that not many opposing players have realised this.

## ALTONA NTH BRANCH OF THE A.L.P.

At the annual meeting held on March 4, 1963, the following people were returned with their co-relative office-bearing positions—

Cr. A. W. Bond, president; A. J. Fisher, secretary; Cr. J. J. Ginifer, treasurer.

The branch has a membership of over 20 and the general meetings are held on the last Thursday of each month at the regular meeting place.

New members are most welcome. It is a comparatively young branch and up to date the branch has achieved its aims as set out in the inaugural meeting held on March 25, 1957. Inquiries for membership should be addressed to the secretary, 13 Lee St., Altona North.

The Brooklyn Branch is hopeful of a successful campaign by Labor members in the coming council elections, particularly after the present councillors have stated their achievements and the proposed plans for the development of the Shire of Altona.

The next branch meeting will be held on July 26.

## Swore On Golf Course

Kazimir Nadinic, of Dove Street, Altona, was charged that at Altona he did use indecent language in a public place, to wit, the Koorringal Golf Course. Also that he did wilfully trespass on the Koorringal Golf Course and neglected to leave such place after being warned to do so by the owner or a person on behalf of the owner. He pleaded guilty to both charges, and was represented by Mr. Frizzell.

Senior Constable Sydney Phillip Emerson, of Altona, said he was a member of the Koorringal Golf Club. At 3.45 p.m. on April 7, he was playing golf with his wife as partner against a Mr. and Mrs. Keane. On approaching the 17th tee the men hit off and the ladies walked over to the ladies tee. There were seven or eight men outside the fence and before the ladies hit off these men climbed the fence and commenced to play soccer.

He approached the men and spoke to one who spoke good English, who then spoke to the others in a foreign language. After about 10 mins. a group of the men gathered around him and he produced his authority and showed it to Martinoff, the man speaking English, and the defendant. He told them he was a member of the police force and a member of the Koorringal Golf Club and ordered them off the golf grounds.

Some of them left, but defendant, Martinoff and some others remained. Keane said to them, "If you were playing soccer in your country and we came on to the ground to play golf you would order us off." One of the men said, "He has got you there," and a number of them walked away and climbed over the fence.

Defendant and Martinoff did not leave and commenced to use some very bad language which they shouted at them and continued to shout until they were out of hearing. He later returned to the scene with Constable Wiltshire and ascertained defendant's name and address, and

had later a conference with the Crown solicitors and summonses were issued.

They had been unable to find Martinoff to serve the summonses so far.

Mr. Frizzell asked him if he could say which man used which words of the bad language. He replied that both men were shouting, and Mr. O'Connor, S.M., said, "A real duet, was it?" He agreed that he did kick one of the three soccer balls over the fence and told them they could play on the reserve in Civic Parade if they wished to.

Mr. Frizzell told the Court his client had only bought a house in Altona two weeks before and did not know the area well. They thought the golf links were a park as there were trees there.

Nadinic admitted one prior conviction. He was fined £5 or seven days on each charge with £11/12/- costs. He was granted a stay of three weeks.

### POLICE STATION DELAY

Funds are not available for the erection of a police station at Altona North until after the 1963-64 financial year.

Meantime the Public Works Department is preparing plans and estimates for the building.

Following requests by the Altona Shire Council for the erection of a police station in Altona North this is the reply received from the Chief Secretary's Department.

### FINED £10 FOR MOTOR BIKE OFFENCES

Romano Ipsa, of Webb Street, Altona, was fined £5 for riding a motor cycle on March 28 without being licensed, and £5 for carrying a pillion passenger when he had not held a licence for 12 months.

James Henry Keith Lewer, of Cecil Street, Williamstown, was charged with being the driver of a car turning or intending to turn right, did fail to yield right-of-way to another vehicle travelling in the opposite direction. He pleaded not guilty.

David Kevin Watson, 13 years, of Melbourne Rd., Newport, said he was a pillion passenger on Ipsa's motor cycle. It was travelling in Ferguson Street towards North Williamstown gates. He could only remember a pair of lights coming towards them and then nothing further.

Constable B. Edwards said he interviewed defendant later the same night, and Lewer said he was going down Ferguson Street at about 30 m.p.h., slowed down to turn right into Cecil Street at about 20 m.p.h. When he was half-way round a motor cycle hit his front mudguard.

Mr. P. J. O'Connor, S.M., dismissed the charge as there

### £7 FINE FOR TRAFFIC OFFENCE

Steve Waslyic, of Cypress Avenue, Brooklyn, was fined £7 for overtaking when unsafe to do so.

Constable J. Lomas, of the mobile traffic squad, said he was in a police car on January 13, in Millers Road, Altona, and he saw defendant overtake a bus and drive towards the police car, forcing it over to the left, and forcing him to brake to avoid a collision.
